GET TO KNOW OUR TEAM!

Our Team

Our strength lies in our integrated team of **over 30 dedicated professionals**, led by a visionary and **highly promising architect**. We are a cohesive force where elite design thinking meets unparalleled execution expertise. This comprehensive structure, rare in the industry, is further amplified by our unique advantage: a proprietary **material development factory**. This factory allows us to move beyond standard offerings, providing clients with customized, high-quality finishes and maintaining strict quality control from concept to installation. When you partner with us, you aren't hiring freelancers; you're engaging a seamless team of designers, execution specialists, and manufacturing experts committed to transforming ambitious visions into extraordinary, enduring interiors.

FULLY INDEPENDENT IN-HOUSE PRODUCTION

At Penthouse Interiors, we take pride in having our very own state-of-the-art interior manufacturing facility located in Dhaka. This allows us to maintain full control over production, ensuring unmatched quality, customization, and efficiency. By eliminating third-party dependencies, we offer tailor-made solutions, faster project completion, and cost-effective luxury.

JOINERY MANUFACTURING FACTORY
